Mr. S. Narayana Aiyar: (*a*) No.

(*b*) Under the present rules the officer has to meet the expenditure himself.

(*c*) Under the Madras T. A. Rules, an officer transferred from one station to another may draw one extra Railway fare for each adult member of his family who accompanies him and for whom full fare is actually paid and one half fare for each child for whom such fare is actually paid. For journeys by road, an officer of Grades I to III (pay exceeding Rs. 750) may draw one extra mileage if three members of his family accompany him and another extra mileage if more than three members of his family accompany him. Officers of Grade IV to XV (all officers in superior service on a pay not exceeding Rs. 750) may draw one extra mileage if two members of his family accompany him and another extra mileage if more than two members of his family accompany him.

Government servants of Grade XVI (subordinates in inferior service) may claim one extra mileage if accompanied by their families.

(*d*) T. A. is not allowed, as a rule, to servants of an officer on transfer. But in cases in which an officer may, under the rules, draw the actual cost of transporting at owner's risk by passenger train conveyances, horses and bulls, he may be allowed the allowances specified below.

In the case of a Motor-car—the cost of transporting a Chauffeur or Cleaner; For each horse—the cost of transporting one Syce and one Grass-cutter; For two bulls—the cost of transport of one servant.

(*e*) Yes.

Mr. G. Narayana Aiyar: May I know whether the Government are aware that when officers are transferred, they are put to much difficulty because their family is not being paid any T. A.?
